Ladies - thank you for your patience. Here are the (draft) details for next year - please feel free to send these details to your members. I would appreciate acknowledgement of receipt due to the large file size of this email. Thank you!

Other parties copied in for information:

Next year the BWPA are hosting the Federation of European Women Pilots (FEWP) Annual get together and AGM. This, in the U.K.'s penultimate pre-Brexit year, we look forward to enjoying the companionship of our European counterparts now and ensuring good relations for many years to come.

FEWP are encouraging further growth in the organisation and have offered to pay the registration fee and two nights accommodation (for the UK 2018 event) for one person from each country that is not currently a FEWP member. For clarity, FEWP currently have 9 member countries: Austria, United Kingdom, Switzerland, Spain, Netherlands, Belgium, Slovenia, France & Germany.

Please send your nominations, suggestions etc to fewpuk@bwpa.co.uk by 31st January 2018.

The event will be centered at Old Warden with accommodation, AGM, and Annual Dinner based at Wyboston Lakes Executive Centre.

The registration fee, which was agreed at the last FEWP AGM to be £150 (instead of €150, due to the fluctuating rate of the £ vs €), and will include the following:

Friday 1st June:

Registration event at Old Warden: Guests will be encouraged to fly in to Old Warden, free of charge (no landing fee or parking), arriving in time for a buffet lunch (13:00) and registration. All pilots flying in to Old Warden are responsible for making their own requests for arrival and departure slots, which will be particularly important on the Sunday due to airshow restrictions.

Transport to Wyboston Lakes Executive Centre by 15:00 (for those that do not make the registration event at Old Warden, registration will be completed at the Executive Centre on arrival there).

19:00 a welcome barbecue dinner will be held on the patio at Wyboston Lakes Executive Centre.

Saturday 2nd June:

09:00 Coach from Wyboston to Old Warden

09:30 Tour 1

11:15 Tour 2

13:00 buffet/sandwich lunch

14:00 Tour 3

The three tours are with guides, and we will alternate groups between the following:

The Shuttleworth Collection,

The Swiss Garden

The House

Each tour will last between 60-90 minutes and are walking tours with wheelchair accessibility.

15:30 Coach back to Wyboston

16:45 AGM Wyboston Conference Room

19:00 Annual Dinner with musical entertainment (singer)

The Executive Lounge Bar remains open until late for residents.

Sunday 3rd June

Departure - own arrangements as required.

NOT INCLUDED, but there is an added option to visit the Old Warden 'Fly Navy' Airshow. We can get a reduced entry rate for £23 (group rate), and arrange transport from and back to Wyboston (estimated cost £6-£10 per person depending on numbers). The airshow sells out very quickly, so it will be important to add the £23 entry fee to your registration. Anyone who has flown in but does not wish to attend the show must depart before midday (subject to change).

For more information about Shuttleworth please visit their site:

<http://www.shuttleworth.org>

For more information about Wyboston, they have an extensive site including spa treatments at the hotel in the grounds, which is just a short walk from the Executive Centre. The Centre have agreed a special rate for the FEWP event with rooms at £86 per single room or £96 for a twin/double room including breakfast. There will be a special booking code available in time for your booking next year.

The spa gets very busy in June, so we suggest that you book your treatments ahead of time, rather than leave them for when you arrive on site.

<http://www.thewaterfronthotel.co.uk/executive-centre-accommodation.aspx>

Register your interest and refer your enquiries to fewpuk@bwpa.co.uk at your earliest convenience and we will add you to the list of (potential) participants and send you the registration form in January 2018. All registrations will need to be completed by 31st March 2018.

For those of you who attended FEWP Paris, you may recognise the attached photos as being the original slide-show content shown at the annual dinner that weekend.

Kind Regards,

Sharon Nicholson
